Welcome To ACCA

WELCOME TO SEASON 13 AT AYLESBURY CHEERLEADING ACADEMY

Aylesbury Cheerleading Academy has grown into one of the UK's leading cheerleading programmes, offering outstanding opportunities for athletes of all ages and abilities.

Based in our dedicated facility in Aylesbury, athletes train in two fully equipped gyms with dual 9 panel sprung floors and specialist equipment designed for safe progression and long term development.

Cheerleading combines athleticism, teamwork and performance, helping athletes build confidence, resilience and lifelong skills both on and off the mat.

As we enter Season 13, ACA continues to provide one of the UK's most comprehensive cheerleading programmes, with recreational and competitive pathways for every athlete. From first time participants to world class competitors, we are committed to helping every athlete reach their potential and create lasting memories along the way.

Attendance Policy

COMMITMENT IS KEY

Cheerleading is a true team sport, and every athlete plays an important role in the success of their routine.

Regular attendance is essential to ensure skills can be developed safely, stunts can progress consistently and formations can be taught and refined effectively.

We're not here to discourage anyone from joining, but it's important to be transparent. When athletes miss training sessions, it can affect the progress of the entire team and limit opportunities for routine development. To give every athlete and team the best chance of success, we expect a high level of commitment to all scheduled training sessions and competitions.

A detailed attendance policy will be provided prior to team acceptance. This policy must be reviewed and agreed to by both the athlete and parent in order to accept a place on a competition team.

COMPULSORY SESSIONS

In the 10 days before each competition, we run a series of compulsory training sessions. These dates will be clearly marked on your team calendar, which is shared at the start of the season, allowing families plenty of time to plan ahead.

These sessions are a required part of competition preparation and attendance is expected from all athletes. If an athlete is unable to attend a compulsory session, they may not be eligible to compete at that event and any fees already paid may be non refundable.

CHOREOGRAPHY SESSIONS

All athletes must be available for their team's scheduled choreography dates. Final details will be communicated following try outs.
